NOTICE OF DECISION

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that **Alcemi Storage Developments 2 Limited** with company registration number 12376960, having its registered office at First Floor Winston House, 349 Regents Park Road, London, N3 1DH, has been granted consent under section 36 of the Electricity Act 1989 by the Scottish Ministers to construct and operate the **Kintore Energy Storage Facility** situated on the southern edge of the Midmill Business Park, approximately 1.5 km to the south of Kintore, within the Aberdeenshire planning authority jurisdiction.

The development will comprise battery storage modules, associated infrastructure and supporting development and have a generating capacity in excess of 50 megawatts.

The Scottish Ministers have also directed, under section 57(2) of the Town & Country Planning Act (Scotland) 1997, that planning permission is deemed to be granted.

Copies of the decision letter and related documentation can be obtained on the Energy Consents Unit website: www.energyconsents.scot using the ECU reference number ECU0004756.

Copies of the decision letter and related documentation have been made available to Aberdeenshire Council to be made available for public inspection by being placed on the planning register. (4896763)

SSE THERMAL GENERATION (SCOTLAND) LIMITED THE PETERHEAD LOW CARBON POWER STATION PROJECT THE ELECTRICITY ACT 1989 – SECTION 36

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that SSE Thermal Generation (Scotland) Limited (“the Applicant”), company registration number SC664055, with its registered office at Inveralmond House, 200 Dunkeld Road, Perth, Scotland, PH1 3AQ, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a low carbon combined cycle gas turbine generating station with a capacity of up to 910 megawatts, including carbon capture plant and ancillary development (“the Proposed Development”) on land at and within the vicinity of Peterhead Power Station, Boddam, approximately 1.5 kilometres south of Peterhead, Aberdeenshire, AB42 3BZ (centred on National Grid Reference 412597, 842972). The Proposed Development is known as the Peterhead Low Carbon Power Station Project and is subject to an Environmental Impact Assessment (EIA). An EIA Report has been produced to accompany the application for Section 36 consent.

The Company has also requested for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the Proposed Development be deemed to be granted. The Applicant has submitted further Additional Information (“Additional Information 3”) in respect of the Proposed Development to the Scottish Ministers, which includes:

- an Additional Information Report dated 16 May 2025, including:
 - o Appendix A – Updated Non-Technical Summary of the EIA Report;
 - o Appendix B – Updated EIA Report Chapter 18 ‘Climate Change and Sustainability’ and Appendix 18A ‘Sustainability Review’; and
 - o Appendix C – Updated EIA Report Chapter 21 ‘Summary of Likely Significant Effects’.
- an Updated Planning Statement dated 19 May 2025.

A copy of the documents comprised within the Additional Information 3 submission together with a copy of the original EIA Report and other Application documents and plans, including plans showing the location and extent of the Site, are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening Hours	Address
Aberdeenshire Council Peterhead Area Office	Monday to Friday – 8:45am to 12:30pm & 1:30pm to 5:00pm	Buchan House, St. Peter Street, Peterhead, AB42 1QF

A copy of the Additional Information 3 documents and all other application related information is also available for public inspection, free of charge on the application website: <https://www.ssethermal.com/flexible-generation/development/peterhead-carbon-capture/> or on the Scottish Government Energy Consents Unit website at www.energyconsents.scot under application reference ECU00003433.

The Additional Information 3 documents may be obtained from the Applicant (telephone: 0800 211 8270 or email: ThermalEnquiries@sse.com) in hard copy form for a charge of £25 per copy or on a USB device for a charge of £15 per USB device. Copies of a short Non-Technical Summary are available free of charge.

All previous representations received by Scottish Ministers in relation to the application remain valid.

Any new representations on the application may be submitted by email to the Scottish Government via representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than **8 July 2025**, although the Scottish Ministers may consider representations received after this date.

Any subsequent Additional Information which is submitted by or on behalf of the Applicant will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers are required to, or decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Following examination of the environmental information and all views and representations received, Scottish Ministers will determine this application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

General Data Protection Regulations

The Scottish Government processes representations under the Electricity Act 1989. To support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot

A privacy notice is published on the Help page at www.energyconsents.scot. This explains how the Scottish Government processes your personal information. If you have any concerns about the processing of your personal information by the Scottish Government, please email EconsentsAdmin@gov.scot or write to Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU. LAIRDMANNOCH ENERGY PARK LIMITED

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that Lairdmannoch Energy Park Limited, (“the Company”) with company registration number SC714903, having its registered office at Wind 2 Office, 2 Walker Street, Edinburgh, Midlothian, Scotland, EH3 7LA, has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate Lairdmannoch Energy Park on land located northeast of Gatehouse of Fleet and approximately 10km west of Castle Douglas (Central Grid Reference NX 66233 62404). The installed capacity of the proposed generating station would be approximately 100MW comprising of 9 turbines with a ground to blade tip height of 180

metres providing 60MW, ground mounted solar providing 20MW and a battery energy storage system providing 20MW, and associated ancillary infrastructure, for a period of 40 years. The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening hours	Address
Kirkcudbright Library	Monday, Tuesday, Thursday – 9am to 5pm Wednesday – 1pm to 5pm Friday – 9am to 12pm	Kirkcudbright Library, Customer Service Centre, Daar Road, Offices, Daar Road, Kirkcudbright, DG6 4PJ, United Kingdom

The EIA Report can also be viewed on the application website at <https://lairdmannochenergypark.co.uk/> or at www.energyconsents.scot under application reference ECU00004900. Copies of the EIA Report may be obtained from Wind2 Limited (telephone: 01352 748300, email: info@wind2.co.uk) at a charge of £1,400 per hard copy and free of charge per USB storage device copy. Copies of a short Non-Technical Summary are available free of charge.

Any representations on the application may be submitted by email to the Scottish Government via representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than 18th July, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers are required to, or decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- consent the proposal, with or without conditions attached; or
- reject the proposal

General Data Protection Regulations

ESB (SCOTLAND) LTD ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997 THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that ESB (Scotland) Ltd, ("the Company") with company registration number SC783342, having its registered office at 5 Whitefriars Crescent, Perth, Scotland, PH2 0PA has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate a Battery Energy Storage System (BESS) on land at High Netherfauld House Farm, Tower Road, Douglas, Lanark, South Lanarkshire (Central Grid Reference NS845354). The installed capacity of the proposed generating station would be approximately 502.5 MW.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates and the supporting documents are available for public inspection in person, free of charge, during normal office hours at:

Location	Opening Hours	Address
St. Bride's Community Centre	Tues-Thursday 09:00-14:45 and 17:30-19:30	St. Bride's Community Centre, Braehead, Douglas, ML11 0PT

The application documents can also be viewed at www.energyconsents.scot under application reference ECU00006063. Copies of the application may be obtained from Aditus Architectural Services Ltd (telephone: 01228 928018 / email info@aditusarchitectural.co.uk) at a charge of £540.00 hard copy and £108.00 on USB storage device. Copies of a short Non-Technical Summary are available free of charge.

Any representations on the application may be submitted by email to the Scottish Government via representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than Monday 21st July 2025 although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers are required to, or decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
