

Lairdmannoch Energy Park

Welcome

The Lairdmannoch Energy Park exhibition sets out the key aspects of the proposed project, which have been subject to extensive consideration by environmental and technical experts.

About the Applicant

The Applicant is Lairdmannoch Energy Park Limited, a joint venture between Wind 2 Limited (Wind2) and companies managed by Octopus Energy Generation.

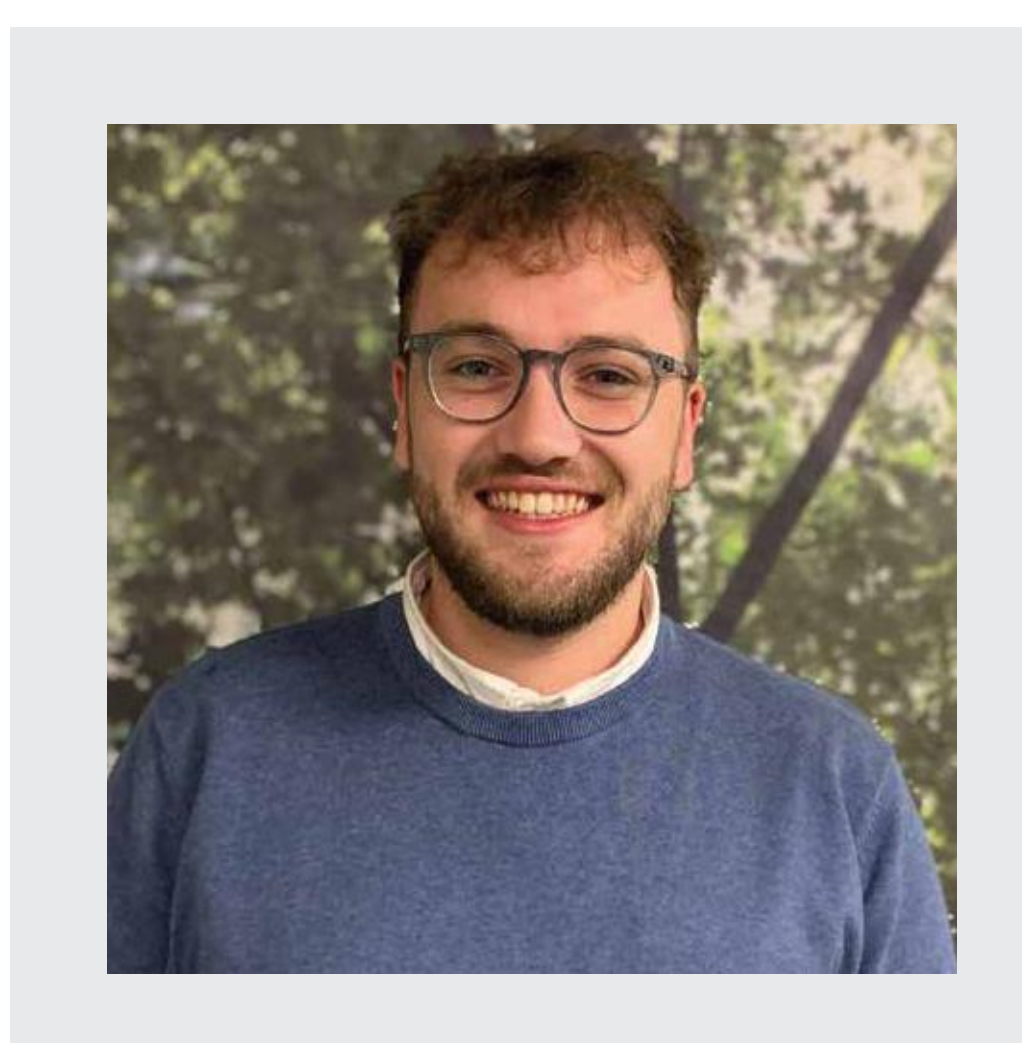

Wind2 is a UK-based, independently owned, specialist renewable energy developer, working on a range of renewable energy projects across the UK.

The company has teams in Edinburgh, Perth, Cromarty, Wells (Somerset) and Mold (North Wales).

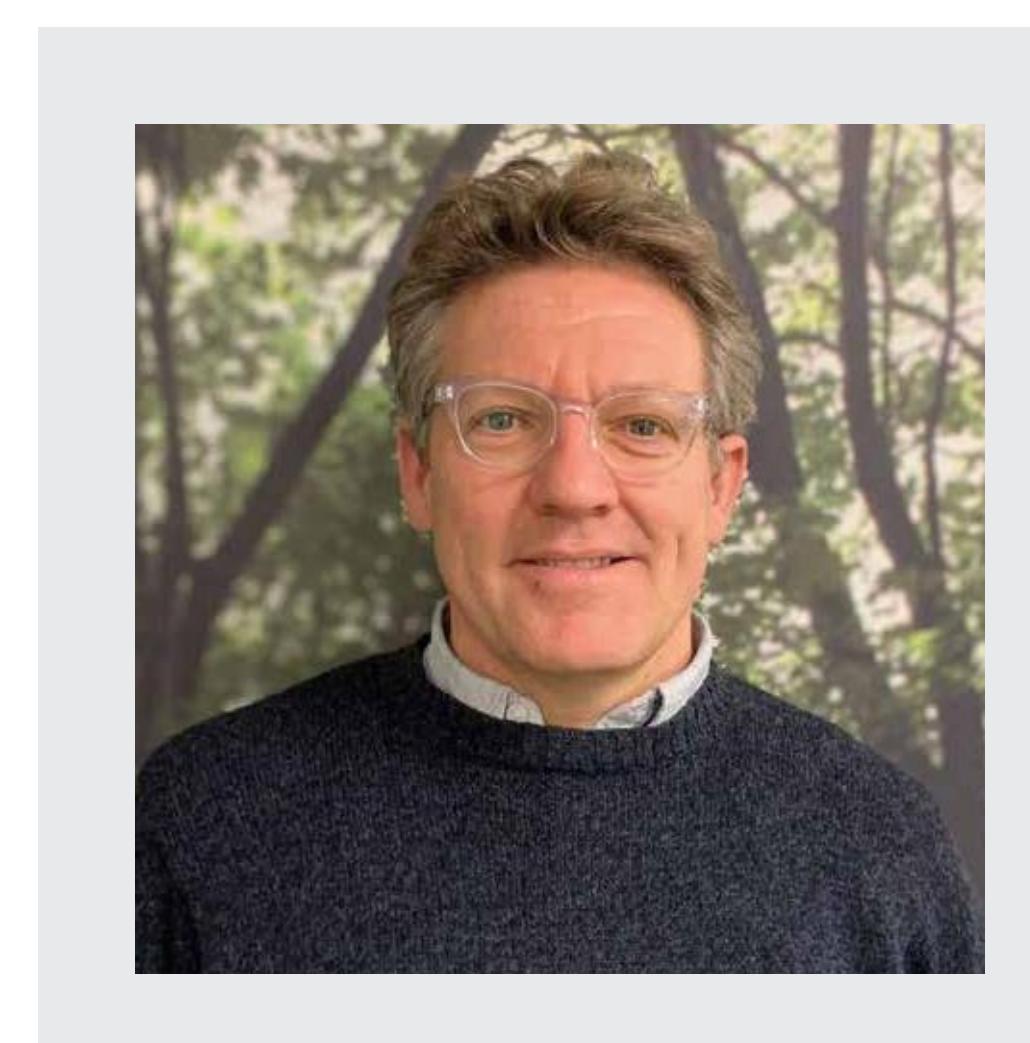

Octopus Energy Generation is one of Europe's largest investors in renewable energy assets and energy transition projects, managing more than 300 large-scale green energy projects spanning 13 countries across technologies including onshore wind, offshore and solar energy.

Meet the Team

Key members of the project team are on hand to discuss the proposed energy park and answer any questions you may have.

Niall Hunter

Fraser Makenzie
